

ASSASSINATE

SCORED VP: ☐ ☐

When this scheme is selected, secretly choose a unique enemy model that has half or more of its maximum health remaining. You may want to ask about the health of multiple models (even if you do not select this scheme) to fool your opponent.

REVEAL

You may reveal this scheme after the chosen model is reduced to below half of its maximum health.

SCORING

When this scheme is revealed, gain 1 VP.

ADDITIONAL VP

At the end of the turn on which this scheme was revealed, if the chosen model has been killed, gain 1 additional VP.
