Friendly Syndicate models gain the following abilities:

Labor Contract: After this model makes a Scheme marker, it may discard a card to summon a Drudge into base contact with the made marker.

Scab Pay: *Once per turn.* After this model kills a non-peon enemy, it may drain two ♦. If it does, it gains a **Slow** token when it ends its activation and it may be chosen to activate one additional time this turn.

Friendly unique Syndicate models gain the following action:

| Tactical Action | Rg | Skl | Rst | TN | Dmg |
|------------------------|-----------|------------|------------|-----------|------------|
|------------------------|-----------|------------|------------|-----------|------------|

| | | | | | |
|--------------------------------|----|---|---|---|---|
| ♦♦ Speed of Information | 8" | - | - | - | - |
|--------------------------------|----|---|---|---|---|

Target a Scheme marker. Place this model into base contact with the target.

Tokens

Aura (Hazardous): The area within 2" of this model is hazardous terrain. Friendly models may choose to be unaffected by this terrain. During the end phase, remove this token.

Entranced: This model's actions that target a friendly model cannot be cheated. After this model resolves an action targeting a friendly model, remove this token.

Shame: This model cannot be targeted by the actions of other enemy models. When this model ends its activation, it may choose to deal 1 damage to itself to remove this token.

Slow: Reduce this model's action limit by 1 (to a minimum of 1). When this model ends its activation, remove this token. Canceled by **Fast**.

Stunned: This model cannot declare triggers, and it counts all ♣ symbols on its card as blank. When this model ends its activation, remove this token.
