☛ **Armor:** Once per activation. This model may reduce damage dealt to it by 1.

Brutal Impact: When this model uses an **Impact** token, reduce the raise value of that action to 3.

Söldnerkapitän: After this model receives one or more raises, it may attach an Equipment upgrade to an ally within 6" after resolving the current action.

Attack Actions

| | | | | | |
|--------------------|-----|-----|-----------|----|-----|
| | Rg | Skl | Rst | TN | Dmg |
| Heavy Claws | ⌘2" | 6 | Df | - | 3 |

☞ **Savage Blow:** Immediately, increase this action's duel total by +2.

📖 **Premonition:** Look at the top card of your fate deck. This model may discard it.

♦ **"Pull!":** Once per activation. Place the target anywhere within 5" of its current location. One ally may declare a 🗡️ action targeting it.

| | | | | | |
|-------------|-----|---|-----------|----|---|
| Toss | ✦2" | 6 | Df | 12 | - |
|-------------|-----|---|-----------|----|---|

*This may target friendly models. Target a model of lower **Sz** than this model. Move the target up to 10" directly away from this model. If this move is interrupted, the target and all models in base contact with it must pass a TN 14 **Df** duel or be dealt 2 damage. Falling does not end this movement.*

☞ **"Give it All You Got!":** For each raise this attack received, move the target +3".

Tactical Actions

| | | | | | |
|-------------------------|----|-----|-----|----|-----|
| | Rg | Skl | Rst | TN | Dmg |
| ⚔️ Wrecking Ball | - | 0 | - | 6 | - |

This model declares the **Charge** action, even if engaged, ignoring terrain, and may move up to an additional +2".

♦ **Bulldoze:** Move all models in base contact with all terrain this model moved through during this action up to 3". Any models that fall are dealt +2 damage from falling.
