Wrath (Master)

Friendly Crossroads models gain the following ability:

Thunderous Performance: While performing an opposed duel with an enemy that has a **Craven** token, this model receives +1 to its duel total.

Consumed by Sin: When this model receives a raise in an opposed duel with an enemy model, the enemy model gains a **Sin** token.

Friendly Crossroads models gain the following action:

Tactical Actions	Rg	Skl	Rst	TN	Dmg
☠☠☠ Destructive Performance	✦14"	-	-	-	-

*Once per activation. Target two other friendly Crossroads models within range, ignoring LoS. Remove all enemy Scheme markers in the area between this model and the two targets. All enemies in the area between this model and the two targets must pass a TN 13 **Wp** duel or gain this model's choice of a **Craven** or **Sin** token and be dealt 2 damage.*

Tokens

Craven: This model cannot declare the **Interact** action and is ignored for strategies and schemes. When this model ends its activation, remove this token.

Entranced: This model's actions that target a friendly model cannot be cheated. After this model resolves an action targeting a friendly model, remove this token.

Shielded: When this model is dealt damage, it must remove this token to reduce that damage by 1. This token may reduce damage to 0.

Sin: This model must deal 1 irreducible damage to an enemy model within 6" to declare non-general actions. When this model ends its activation, remove this token.
