

Through and Through

This model gains the following abilities:

Rune-Carved Bullets: This model's \blacksquare actions ignore \spadesuit and \clubsuit abilities.

"I Never Miss Twice!": Once per activation. After this model fails a \blacksquare action, it may discard a card. If it does so, it may declare a \blacksquare action targeting the same model.

Call It a Day: When this model ends its activation, it must either drain a \diamondsuit or discard a Hermanos de Armas upgrade.
