

# CONTAGION'S KISS

## Hamelin, Plaguebringer

The following cumulative effects apply based on the level of this crew's pox bar:

**1 Pox:** Enemy models with a friendly **Blight** token suffer -1 **Sp** during enemy activations.

**2 Pox:** During the end phase, before resolving **Blight** tokens, enemy models with a friendly **Blight** token are dealt 1 damage.

**3 Pox:** Enemy models with a friendly **Blight** token must discard a card to declare the **Interact** action.

Friendly non-peon Plague models gain this action:

Tactical Action	Rg	Skl	Rst	TN	Dmg
-----------------	----	-----	-----	----	-----

<b>Diseased Embrace</b>	1"	-	-	-	-
-------------------------	----	---	---	---	---

*Enemy only.* The target gains a **Blight** token and this model heals 2. If this crew's pox bar was not increased this turn, increase it by 1.

Crew Card

# CONTAGION'S KISS

## Hamelin, Plaguebringer

### Tokens

**Aura (Hazardous):** The area within 2" of this model is hazardous terrain. Friendly models may choose to be unaffected by this terrain. During the end phase, remove this token.

**Blight:** This model suffers a  $\square$  to **Wp** duels generated by Plague models. During the end phase, enemy models within (X)1" gain a **Blight** token, then if there are no other models within 1" with a **Blight** token, remove this token.

**Slow:** Reduce this model's action limit by 1 (to a minimum of 1). When this model ends its activation, remove this token. Canceled by **Fast**.

**Stunned:** This model cannot declare triggers, and it counts all  $\downarrow$  symbols on its card as blank. When this model ends its activation, remove this token.

**Summon:** This model cannot declare the **Interact** action. This model does not infuse a ♦ for its crew when it is killed. This token cannot be removed.
